Press Release

Cockpit4u establish Boeing 777 training program in Europe

Cockpit4u today announced the launch of the Boeing 777 type rating program. The training program will be offered at Cockpit4u's training centre in Germany located in Berlin-Schönefeld.

"Cockpit4u offers a wide variety of advanced aviation training programs that are designed to enrich the skills of airline pilots. With the Boeing 777 program we support the airline's growing Boeing 777 fleet", said Dennis Pilz, Managing Director.

Cockpit4u is the preferred aviation training partner and a leader in providing customer-focused aviation training solutions.
